DIFFERENTIATORS

Strategic

Creating solutions for the specific needs of the agency.

Collaborative

Working in partnership with you.

Efficient

Delivering stellar results in a value-oriented way.

PAST PERFORMANCE

Massachusetts Executive Office of Health and Human Services (EOHHS)

Leverage technology, collaboration, innovation, and automation to observe and detect irregularities in healthcare claims to monitor providers' compliance with EOHHS Administrative and Billing Regulations.

Maryland Developmental Disabilities Administration (DDA)

Provide three (3) Financial and Administrative support professionals to maximize the agency's productivity by optimizing the effectiveness of our talent and filling any staffing gaps, helping the agency to run smoothly.

Maryland Developmental Disabilities Administration (DDA)

Provide data collection, analysis, and reporting to ascertain the type(s) of services covered for participants under DDA's programs to ensure programs' compliance with State and Federal regulations.

Centers for Medicare & Medicaid Services (CMS)

Led the statistical data processing, medical record review, and claim audits of the Payment Error Rate Measurement (PERM) program to measure the improper payments in Medicaid and CHIP. Produced annual improper payment rates for each program.
